Course Registration Form-Summer 2008
School Resource Officer II

☐ **July 21-25**

This course is the foundation of effective school-based policing programs across the United States. The attendees are given the basics that are needed to work effectively as a school-based law enforcement officer. The triad approach of teacher, counselor, and law enforcement officer is the format that is presented in this course. The attendees are given the skills that will make them effective on campuses of schools in any setting. Any school-based law enforcement officer, school security officer, educator or school administrator could benefit from attending this class. This course is certified and reimbursable by the Illinois Law Enforcement Training & Standards Board for Illinois officers.

All sessions meet from 0800A-0500 in Room T334 **Cost: $489.00**
